A wide-angle aerial photograph of Stockholm, Sweden, during sunset. The iconic red brick Stockholm City Hall is the central focus, standing on an island in the middle of the city's waterways. Its tall, golden-roofed tower reaches towards the sky. The surrounding urban landscape is a mix of traditional and modern architecture, with numerous buildings, parks, and green spaces. In the foreground, a bridge spans a canal. The water reflects the warm, golden light of the setting sun, creating a serene atmosphere.
